**BOARD OF EDUCATION FINANCE COMMITTEE
FAIRFIELD PUBLIC SCHOOLS, FAIRFIELD, CT
December 3, 2019
501 Kings Highway east
Superintendent's Conference Room**

Minutes

Call to Order: The meeting was called to order at 9:03am by Christine Vitale, acting as chair, prior to the arrival of Jennifer Leeper who assumed control of the meeting at 9:15am.

Present: Members: Jennifer Leeper (arrived at 9:15), Christine Vitale, Nick Aysseh
District staff: Superintendent Cummings
Public: Crissy Kelly

Approval of Minutes:

Nick Aysseh made the motion to approve the November 4, 2019, 2019 meeting minutes, seconded by Mrs. Vitale. Amendment discussed to correct the spelling of Mike Cummings name was made.

The motion, as amended, passed 2-0

Signage Update:

Mr. Cummings spoke to Parks and Rec and confirmed signage on their fields is controlled by leagues. He also spoke to the Fairfield Education Foundation about possible collaboration. Will be hearing back from the foundation after they meet.

Review 2020-2021 Budget:

Mr. Cummings hoped budget would be finished this week. Initial requests and contractual obligations were around a 5.7% increase, but Mr. Cummings and staff had already reduced it 1 point to 4.7% and were going to be working hard to get that number down. Some discussion was around controllable costs and where the district stood. The transportation contract, field and grounds maintenance contract and utility costs were still not finalized.

Mr. Aysseh asked where we stood with the BOE Google Doc template for budget questions and answers. Mr. Cummings and Mrs. Vitale confirmed it was in the works and would be given to the board for use when the budget meetings begin.

Budget Implications of Middle School Block Schedule:

Staffing FTE implications were discussed for the entire district including those from the block schedule proposal. Professional Development was also discussed. Mr. Aysseh asked if we could put off implementation for a year and Mr. Cummings stated that he and the administrators were already exploring what that would look like as well as how it would affect the next two budgets. Mrs. Vitale inquired as to how much of the FTE implication was for "Intervention"

blocks and Mr. Cummings confirmed it was zero. The implications are all related to “core” work according to Mr. Cummings.

Mrs. Leeper inquired as to where the district is in evaluating existing initiatives. Mr. Cummings stated this is part of the budget process. He stated the district will be looking at work we currently contract out versus the cost benefit of bringing in house. He also mentioned we need to look at continuing education and if it makes sense for the Fairfield Public Schools to continue this when there are already other options like through Parks and Rec.

Superintendent Report:

Mr. Cummings covered everything during above discussions. No further report given.

Open Committee Comment:

Mr. Aysseh asked if we can set a meeting date for January without publishing the calendar for the entire year at this point since the swearing in of board members was delayed and the organizational meeting of the BOE had not occurred yet. He also mentioned that it may be wise to wait to see if the committee is comprised of different members once committee and liaison assignments were made which would likely be after the next meeting. Mrs. Leeper said she would schedule the meeting for January 7, 2020 at 9am and all members agreed.

Mrs. Vitale mentioned that she planned to bring forth a bylaw amendment to the full board to rename this committee to include finance, facilities and operations.

Public Comment: Crissy Kelly asked “what is the biggest driver for the budget” and Mr. Cummings replied staff salaries and benefits. She also inquired about professional development and the potential need for more around the block schedule implementation and Mr. Cummings responded that he did not anticipate a raise in PD costs and that the district would be reallocating PD resources to meet the need, if implemented. Finally, she asked about the headcount and the effect on the schedule.

Future Discussion:

The committee discussed the need to continue work on the budget and more discussion on potential bylaw change.

Adjournment: Mr. Aysseh made the motion to adjourn, seconded by Mrs. Vitale. The motion passed 3-0 and the meeting ended at 10:10am.

Respectfully submitted by
Nick Aysseh
