CIVIL AND LEGAL RIGHTS AND RESPONSIBILITIES: 5145(a) NONDISCRIMINATION OF STUDENTS

The Board of Education complies with all applicable federal, state, and local laws prohibiting the exclusion of any person from any of its educational programs or activities, or the denial to any person of the benefits of any of its educational programs or activities because of race, religion, color, national origin, alienage, sex, sexual orientation, marital status, age, disability (including pregnancy), veteran status, or gender identity or expression, subject to the conditions and limitations established by law.

It is the policy of the Board that any form of discrimination or harassment on the basis of race, religion, color, national origin, alienage, sex, sexual orientation, marital status, age, disability (including pregnancy), veteran status, gender identity or expression, or any other basis prohibited by state or federal law is prohibited, whether by students, Board employees, or third parties subject to the control of the Board. The Board's prohibition of discrimination or harassment in its educational programs or activities expressly extends to academic, nonacademic, and extracurricular activities, including athletics. It is also the policy of the Board to provide for the prompt and equitable resolution of complaints alleging any discrimination on the basis of protected characteristics such as race, color, religion, age, sex, sexual orientation, marital status, national origin, alienage, disability (including pregnancy), veteran status, or gender identity or expression.

For the purposes of this policy, "veteran" means any person honorably discharged from, or released under honorable conditions from active service in, the United States Army, Navy, Marine Corps, Coast Guard, and Air Force and any reserve component thereof, including the Connecticut National Guard.

For the purposes of this policy, "gender identity or expression" means a person's gender-related identity, appearance or behavior, whether or not that gender-related identity, appearance, or behavior is different from that traditionally associated with the person's physiology or assigned sex at birth, which gender-related identity can be shown by providing evidence including, but not limited to, medical history, care or treatment of the gender-related identity, consistent and uniform assertion of the gender-related identity, or any other evidence that the gender-related identity is sincerely held, part of a person's core identity or not being asserted for an improper purpose.
