Board Memorandum

To: The Board of Education
From: Stephen Tracy, Ed.D.
Date: July 22, 2022

Attached please find a report on Teacher Vacancies as of July 20, 2022. There may be some discrepancies in this information because the recent MUNIS upgrade has limited our access to some financial and personnel information. But the report will provide you with a reasonably complete picture of the teaching positions that we are working to fill between now and the opening of school. We expect the MUNIS issues to be resolved by the time we provide you with an updated Vacancy Report on July 29. At that time, we will also report on non-certified staff vacancies.

In addition to the position of Superintendent of Schools, we are working to fill two administrative vacancies at this time: Director of Elementary Education and K-12 Literacy and Director of Communications (part time).

Enjoy your weekend!

Steve
