### **GOALS AND OBJECTIVES FOR NON-EDUCATIONAL BUSINESS OPERATIONS**

**3000**

The Board of Education recognizes that fiscal management supports the foundation of the school district's educational programs and shall work with town boards and elected officials to provide the necessary appropriations for these programs. To make that support as effective as possible and to support the efforts of the staff to provide an exemplary education, the District shall:

1. encourage advance planning through the best possible budget procedures;
2. develop long-range educational and financial plans;
3. explore all practical sources of revenue;
4. guide the expenditure of funds so as to achieve the greatest educational outcomes;
5. establish and follow top quality, accepted accounting and reporting procedures;
6. work cooperatively with other appropriate governmental agencies and officials; and
7. adhere to high standards of safety for the operation and maintenance of school facilities and equipment.
