Re: National Assessment of Educational Progress Administration (NAEP) 2024

---

Each year Connecticut schools are randomly selected to participate in the *National Assessment of Educational Progress* (NAEP) assessment. The assessment is administered by the United States Department of Education and the results are known as “The Nation’s Report Card.” Under Connecticut statute 10-239i, selected Connecticut’s schools must participate in the program.

NAEP is the largest representative assessment of the nation’s progress in what students know and are able to do. Not all students participate in the assessment. The assessed population is randomized and sampled to provide representative results for our state and nation. Fairfield students who participate in the assessment will contribute to Connecticut’s results. The data assists researchers, curriculum developers, advocacy groups, and legislators (among other stakeholders) in informing how to improve our country’s educational outcomes.

**Participating Schools**

The following Fairfield schools and grades will participate in the NAEP 2024 in mathematics and reading:

School	Grade or age	Assessment
Holland Hill Elementary School	Grade 4	Mathematics and Reading
Roger Ludlowe Middle School	Grade 8	Mathematics and Reading

**Participation Dates**

Selected students within the selected schools will be participating on the following dates:

School	Date
Holland Hill Elementary School	February 28, 2024
Roger Ludlowe Middle School	February 28, 2024

**Other Information**

More information on the NAEP and its data can be found on the official website at [www.nces.ed.gov/nationsreportcard/](http://www.nces.ed.gov/nationsreportcard/) . Parents and guardians at selected schools will be informed by building administration of the upcoming testing that may affect their children.
