

Mission, Goals, Objectives

REPORTING ACCOMPLISHMENTS TO THE PUBLIC

0600

The Board shall keep the public informed of the school system's progress in accomplishing its goals and indicators of success, including programs established to achieve them. The Superintendent shall maintain a communication program for this purpose, which shall include, but not be limited to, public meetings, publications in multi-media formats, PTA meetings, and other appropriate methods.

Adopted 8/27/2004
