

**Students**

**INSURANCE**

**5143.1**

The following types of insurance shall be maintained:

**Liability Insurance**

The Town shall provide Town liability, accident, and bus insurance.

**Athletic Insurance**

All students participating in school-sponsored interscholastic athletic activities shall be covered by a special insurance rider, which provides for excess coverage. Benefits payable or service provided under any other insurance coverage or prepaid service should be utilized first. The cost of this excess coverage shall be the responsibility of the Town.

**Voluntary Student Accident Insurance**

The school system may make available voluntary student accident insurance. Participants in sports programs will be encouraged to take the basic student accident insurance policy that is offered to all students.
