Tuesday, January 14, 2025

5:00 PM

501 King Highway East
Superintendent's Conference Room

In Attendance:

Ms. Jennifer Maxon Kennelly, Ms. Carol Guernsey, Mr. Nick Aysseh, Dr. Zakia Parrish, Dr. James Zavodjancik, Mr. Robert Mancusi (left at 6pm), Ms. Janine Goss (virtual, left at 5:20pm), Ms. Jodie Shannon (FEA Representative), Mr. Mick McGarry (FEA President, arrived at 5:35pm), Ms. Kristen Hardiman

Call to Order: Ms. Maxon Kennelly called the meeting to order at 5:02pm.

Approval of December 10, 2024 Special Policy Committee meeting minutes: Approved by a 3-0 vote.

Policy:

Vote on 2025 Policy Calendar

Mr. Aysseh stated he has a conflict with the meeting scheduled for April 29th. After further discussion the April 29th meeting was changed to April 22nd at 5:30pm. Ms. Guernsey questioned the meeting date on March 17th due to St. Patrick's Day. After further discussion, the March 17th meeting was changed to March 18th at 5:30pm.

The 2025 Policy Calendar was approved with the above changes by a 3-0 vote.

6144 – Controversial Issues

Dr. Zavodjancik stated he has nothing new to report on this policy. Ms. Maxon Kennelly stated she thought the committee agreed to end the policy before “Responsibilities” and then move the rest of the language into the regulations. Mr. Aysseh asked Dr. Zavodjancik how this policy came to be discussed. Dr. Zavodjancik explained this policy was part of the CABA audit and they recommended it be updated.

Ms. Maxon Kennelly questioned the language in item #2 on Page 8 under “Guidelines”. Mr. Aysseh stated he is fine with that language because it states the instruction should be balanced to point out both views.

Ms. Maxon Kennelly asked if extracurricular activities are exempt from this policy, then where do the extracurriculars fit in and how far can they go on an issue. Dr. Zavodjancik explained that the District cannot regulate issues during extracurricular activities. Dr. Zavodjancik gave an example of a school sanctioned club inviting a speaker in after school hours where the parents agreed to their child attending such an event, there is no mechanism to regulate that speaker. Ms. Maxon Kennelly stated she is not asking for regulations in that case; however, she would like to see expectations in place.

Ms. Guernsey stated she is coming from a place of protection for both the students and the staff on controversial issues. Ms. Guernsey stated she does have issues with the guidelines. Ms. Guernsey stated she likes the first paragraph of the policy; however, she would like it to match the definition.

Ms. Guernsey stated she does not like the sentence in the second paragraph on Page #7 which begins with “Educators must deal with.....”. Dr. Zavodjancik stated that sentence is in the current policy. Ms. Guernsey would like that sentence to be stricken. Ms. Guernsey questioned the meaning of “open and fair”. Ms. Guernsey expressed her concern with this policy and explained she does not want teachers to avoid discussing a topic because they are afraid it might be controversial.

On Page #8, item #3 under “Guidelines”, Ms. Maxon Kennelly recommended removing the word “when necessary”. Mr. Aysseh agreed with Ms. Maxon Kennelly. Under that section, item #8, Ms. Guernsey does not like the last sentence about opposing viewpoints. Dr. Zavodjancik explained that language is there so that teachers would know to provide an opposing viewpoint when a guest speaker presents only one point of view on an issue. Ms. Maxon Kennelly asked Mr. McGarry if teachers would know to discuss opposing views. Mr. McGarry stated teachers may not be aware of this policy. Ms. Maxon Kennelly asked Mr. McGarry if there is any time when a principal does not know about a guest speaker. Mr. McGarry responded, saying in a big school, that it is possible Dr. Zavodjancik reminded Mr. McGarry that this item pertains to only guest speakers who are talking about controversial issues.

Dr. Zavodjancik explained this is not a mandated policy. Mr. Aysseh stated he feels this policy gives teachers protection. Ms. Maxon Kennelly stated she thinks this policy gives teachers specific guidance. Ms. Guernsey stated she is not in favor of supporting this policy, however, she would like to vote it out of policy and is hopeful people will provide feedback.

The committee agreed to end the policy before “Responsibilities” on Page #9 and the rest of the language will be moved into regulations.

The policy was approved with changes by a 3-0 vote. This policy will be presented to the Board for a “first read”.

6152 – Instructional Grouping

Dr. Zavodjancik stated this policy came out of the CAFE audit for a recommended review. Dr. Zavodjancik is recommending the deletion of this policy since it is not a mandated policy.

This policy was approved for deletion by a 3-0 vote and will be presented to the Board for a “first read to delete”.

5131.911 – School Climate

Mr. Mancusi stated he is recommending replacing the Bullying policy with the School Climate policy which is required to be implemented in all school districts by July 1, 2025. Mr. Mancusi explained the School Climate policy has several pages of definitions which are based on state statutes.

This policy was approved with changes by a 3-0 vote and will be presented to the Board in June for a “first read”.

5144.12 - Restorative Practices

Mr. Mancusi explained we do not currently have this policy in place so he is presenting CAFE’s model policy.

After further discussion by the committee, this policy was approved with changes by a 3 -0 vote and will be presented to the Board at the June meeting for a “first read”.

6142.2 – Reading/Language Arts

Ms. Goss explained this is a non-mandated policy. Ms. Goss stated this policy is really outdated and no longer needed. Ms. Guernsey stated she is surprised it is being recommended for deletion. Ms. Goss explained she reached out to CAFE who said they are considering changes in some wording including the first paragraph. Ms. Goss stated there is a problem with language in the first paragraph, so she cautions us to keep that language. Ms. Goss assured the committee Fairfield currently complies with all state legislation so that is why she is recommending this policy be deleted.

This policy was approved for deletion by a 3 – 0 vote and will be presented to the Board for a “first read to delete”.

3430 – Periodic Financial Reports

This policy will be discussed at the next policy meeting on February 4th.

3430.2 – Quarterly Reports

This policy will be discussed at the next policy meeting on February 4th.

3542.41 – Professional Standards for Food Service Personnel

This policy will be discussed at the next policy meeting on February 4th.

3515 – Community Use of School Facilities

Mr. Aysseh asked Mr. Papageorge if there have been any specific complaints about this policy that he or Superintendent has received. Mr. Papageorge stated he has not received complaints; however, he has received questions about the fees to rent our facilities. Mr. Papageorge explained that usually the Superintendent handles those questions and will come to an agreement about the cost of the rental fee. Ms. Guernsey expressed concern that we are not following policy since we are making deals with certain organizations on the rental fees.

Mr. Aysseh asked if there have been any complaints about the new reservation system. Mr. Papageorge said he has not received any complaints about the new reservation system.

No further discussion took place on this item due to a time constraint. This policy will be discussed at the next policy meeting on February 4th.

Open Discussion/Public Comment: There was no open discussion or public comment.

Adjournment: Ms. Maxon Kennelly adjourned the meeting at 6:49pm.

PROFESSIONAL STANDARDS FOR FOOD SERVICE PERSONNEL

3542.41(a)

The Board of Education (Board) recognizes that students require adequate, nourishing food and beverages to grow, learn and maintain good health. Therefore, the Board provides a food service program for school breakfasts and school lunches that meet the dietary specifications in accordance with the Healthy Hunger-Free Kids Act of 2010 and applicable laws and regulations.

This service shall be under the supervision of the Food Services Director who shall be responsible to the Chief Financial Officer. The Food Services Director shall be hired under specific job specifications.

The food service Director and all staff who manage and operate the National School Lunch and School Breakfast Programs shall comply with the professional standards for school nutrition personnel as described in the regulations of the Healthy, Hunger-Free Kids Act of 2010 (HHFKA), Public Law 111-296. These regulations, effective July 1, 2015, establish hiring standards for the selection of State and local school nutrition program directors, and requires all personnel in the school nutrition programs to complete annual continuing education/training.

The food service contractor will provide training to all staff that includes an overview of food allergies, Food Allergen Labeling and Consumer Protection Act, avoidance of cross contamination, effective cleaning and sanitation practices, and practices for the accommodation and safety of students with life-threatening food allergy in accordance with USDA regulations.

The Board believes that the fulfillment of these professional standards for food service personnel will result in consistent, professional standards that strengthen the ability of school nutrition professionals and staff to perform their duties effectively and efficiently in accordance with national and state standards. Requiring proper qualifications to serve in the District's Child Nutrition Programs is expected to improve the quality of school meals, reduce errors, and enhance Program integrity.

COMMUNITY USE OF SCHOOL FACILITIES

3515

Since school buildings and grounds are public property, the Board of Education may make them available for purposes other than education when they are not in use for school purposes.

School buildings and grounds shall be open for use by the public ~~subject to such regulations as shall from time to time be established by the administration.~~ As long as the intended use falls within the allowed use as established in the **Administrative Regulations (AR)**. A copy can be found online and must be read and **agreed to** before **setting up** an account in our **reservation** system. ~~The Reservation Office, 203-255-8374, may be contacted for a copy of the current regulations.~~

~~Such use shall not interfere with the educational program of the school, and representatives of the public using the school property shall ensure its reasonable use.~~

Such use shall not interfere with the educational program of the school. Representatives of the public or organizations utilizing school property are responsible for ensuring its **appropriate and respectful use**. Any damage, misuse, or activities that compromise the integrity of the facilities will result in **immediate review of privileges** and may lead to **additional charges, revocation of access, or other penalties. Furthermore, any unlawful activities, such as smoking, vaping, or other prohibited behaviors, will result in the immediate loss of access to school property.**

~~The Boy Scouts of America, Big Sisters of America, Boys and Girls Clubs of America, Future Farmers of America, Girl Scouts of America, Little League Baseball, Inc. and any other group intended to serve youth under the age of 21 listed in Title 36 of the U.S. Code may use school property upon payment of suitable fees and costs according to the Board approved fee schedule.~~

The use of school buildings and grounds shall comply with the **Administrative Regulations** see Section which establish the order of priority for use.

~~The Board shall receive an annual report on Community Use of School Facilities and associated revenue.~~

As part of their quarterly financial update, the Board will receive a detailed report on rental usage and associated revenue. Additionally, the Board will receive an annual report outlining the groups utilizing school facilities, including any organizations that have been banned from use of the buildings or grounds due to violations of policies or regulations.

~~Changes to the Administrative Regulations Rental Classifications and Rates must be approved by the Board.~~

While the Superintendent is the administrator responsible for overseeing the day-to-day operations of the school buildings and has the authority to make changes to the Administrative Regulations as needed, the Board will receive an **annual copy** of the building usage regulations. This report will highlight any changes made, along with the **justifications** for those changes.

1. Definitions

- A. **Youth Organization** is defined as any group or organization with a mission focused on serving young people under the age of 21.
- B. **Non-Profit Organization** is defined as tax-exempt organizations as described in Section 501(c)(3) of the Internal Revenue Code Section tax code.
- C. **Fairfield Organization** is defined as an organization serving Fairfield residents, with at least 50%-20% of membership and/or participants residing in Fairfield.
- D. **Out-of-Town Organization** is defined as an organization with more than 50% 80% of membership and/or participants residing outside of Fairfield.
- ~~E. **Staff Use** This is a placeholder; not sure how to define or how to prioritize.~~

2. Authorized Users / Order of Priority

When space is available and school operations are not affected, the scheduled use of Fairfield Public Schools facilities may be made available to the organizations listed below in priority order:

- A. Programs sponsored by the Fairfield Public Schools, including Board of Education meetings, summer programs, and PTA events;
- B. Programs sanctioned by the school district to provide before and after-school daycare for Fairfield students;
- C. Activities of school-related organizations, e.g., booster clubs, and parent support groups;
- D. Town bodies such as RTM, Board of Finance, and Board of Selectmen;
- E. Fairfield Parks and Recreation programs;
- F. Groups intended to serve youth under the age of 21 as listed in Title 36 of the U.S. Code; *Does Parks and Rec want to administer these groups?*
- G. Fairfield non-profit youth organizations, for uses not directly competitive with school-sponsored activities, summer school, etc.;
- H. Fairfield non-profit organizations that serve adults;
- I. Out-of-town non-profit organizations and for-profit organizations have last priority and must be approved by the Superintendent or his designee

OTHER USERS: Under unusual circumstances, the Superintendent may permit one-time or occasional use of facilities to educational, civic, cultural, etc., organizations from neighboring towns, etc.; the Superintendent shall judge each request individually and determine rental category.

3. Fee Structure

With the understanding that rental fees are likely to be passed on to participants, the Board will make every effort to support a Rental Classifications and Rates structure that limits charges to Fairfield non-profit youth organizations. *(Not sure how to address AA or other non-profits with services critical to the health of our adult community.)*

All efforts will be made to give adequate notice to organizations regarding any changes to Rental Classifications and Rates.

This section needs a lot of attention. Looking forward to a larger conversation before delving further into this, regarding how much of this we want to see in policy vs. regs. Sample text from Westport below (in blue) has some interesting concepts around usage and classification that can be a starting point for discussion:

~~C. USAGE TYPES:~~

~~Standard Use is defined as routine meetings, programs, classes, etc.~~

~~Major Use, which requires a surcharge, is defined as having one or more of the following characteristics:~~

- ~~• Creates significant wear and tear.~~
- ~~• Funds are raised through admission charges (including “voluntary” contributions), sale of merchandise, raffles, door prizes, etc.~~
- ~~• Event uses vendors’ or exhibitors’ booths.~~
- ~~• Event uses the Staples field house.~~
- ~~• Event at any school requires two major facilities: (gym, cafeteria, auditorium). Ten or more classrooms = major facility.~~
- ~~• Event involves more than 500 participants or attendees.~~

~~D. CLASSIFICATION OF GROUPS FOR PAYMENT OF FEES AND RENT: (Identified groups are examples; groups not listed will be classified by Superintendent or designee).~~

~~CATEGORY I USERS: NO RENT FOR STANDARD USE*~~

- ~~a) School Related: E.g., student organizations, PTAs, parent support groups affiliated with school teams, clubs, etc., recognized parent advocate groups such as CLASP, etc.~~
- ~~b) Town Groups: Town boards, commissions, and committees; DPR, Senior Center, Health District, Library, Transit District, Levitt Pavilion, First Night, etc.~~
- ~~c) Youth Serving: Westport-based non-profit youth serving groups, such as: Boy & Girl Scouts, Little League, PAL, Babe Ruth League, Westport Soccer Association~~
- ~~d) Grandfathered Groups: Power Squadron, Red Cross, Westport Arts Center.~~
- ~~e) Others: Superintendent or designee may waive or reduce fees for state/national professional or educational organizations; or for other groups serving the public interest; or for elected officials holding public meetings.~~

~~* (When a Category I group makes major use of facilities for fund-raising programs involving commercial, entrepreneurial, profit making organizations or activities, superintendent or designee may require basic rental fees.)~~

~~CATEGORY II USERS: BASIC RENT: Westport-based Community Groups.~~

- ~~a) Westport agencies supported by the United Way, and non-profit service organizations that serve Westport, e.g., Rotary, Kiwanis, Masons, Westport Woman’s Club, Westport~~

~~Young Women's League, Veterans' groups, Nursing and Home Care, etc.
b) Westport political, religious and ecumenical groups. (Depending on the nature of the activity, e.g., summer camps or on-going programs for which fees are charged, these groups may be classified as Category III for fee purposes.)
c) Westport YMCA: for use of pool only, with special financial arrangements.~~

~~CATEGORY III USERS: BASIC RENT DOUBLED: Westport based Private, Non-profit, Educational, Recreational, Cultural, Social or Athletic Groups.
Category III includes private schools, private nursery schools, dance academies, drama groups, music groups, children's activity programs, etc., at least 50% of whose members or participants are Westport residents.~~

~~CATEGORY IV USERS: Non Westport based Private, Non-profit, Educational, Recreational, Cultural, Social or Athletic Groups.
Category IV includes private schools, private nursery schools, dance academies, drama groups, music groups, children's activity programs, etc., at least 50% of whose members or participants are not Westport residents.~~

OTHER USERS: Under unusual circumstances, the Superintendent may permit one-time or occasional use of facilities to educational, civic, cultural, etc., organizations from neighboring towns, etc.; the Superintendent shall judge each request individually and determine rental category.

~~ALL CATEGORIES: Must pay custodial, kitchen workers' and other applicable fees, including fees for covering the gym and field house floors if necessary. All groups pay surcharge for major use. Superintendent may reduce surcharge by 50% for Categories I and II if event is a fund raiser benefiting the Westport schools or the public, or when the event itself is a public service.~~

~~SPECIAL CONDITIONS: Regardless of user's category, the Superintendent (or designee) may impose special conditions or may deny permission when it is judged that the requested use may produce undue wear and tear on facilities, would cause disruption to the regular school program, be detrimental to the public image of the school system, impact negatively on the scheduled maintenance or cleaning of the schools or otherwise not be in the interest of the school system or the Town.~~
