### **HOMELESS STUDENTS**

**6141.313(a)**

The Board shall make efforts to identify homeless children within the district, encourage their enrollment, and eliminate barriers to their education in compliance with all applicable federal and state laws.

Further, it is the policy of the Board of Education that no child or youth shall be discriminated against or stigmatized in this school district because of homelessness. Homeless students, as defined by federal and state statutes, residing within the district or residing in temporary shelters in the district are entitled to free school privileges.

Homeless students within the district remain the district's responsibility to provide continued educational services. Such services for the child may be:

- continued in the school ("school of origin") that the student attended when permanently housed or the school of last enrollment; or
- provided in the school that is attended by other students living in the same attendance area where the homeless child lives.

To the extent feasible, a homeless child will be kept in the school of origin, unless it is against the wishes of the parent or guardian.

Homeless children shall be provided educational services that are comparable to those provided to other students enrolled in the district, including but not limited to, Title I, transportation services, compensatory educational programs, gifted and talented, special education, ESL, health services, and food and nutrition programs.

The Superintendent of Schools or designee shall refer identified homeless children under the age of eighteen (18) who may reside within the school district, unless such children are emancipated minors, to the Connecticut Department of Children and Families.

The district administration shall attempt to remove existing barriers to school attendance by homeless emancipated minors and youth eighteen (18) years of age:

- The selected school for the homeless child shall enroll the child, even in the absence of records normally required for enrollment. The last school enrolled shall be contacted to obtain records.
