STUDENT ACTIVITY FUNDS

3453

The Superintendent or designee shall establish and oversee school activity funds, with a treasurer, who will be a finance director or designee, and will be responsible for managing the funds. Student-raised monies must be used solely for their intended purposes, and other non-appropriated funds, including gifts, donations, or local grants, must be used in accordance with Board policy, including Policy 3280 – Gifts, Grants, and Bequests. Separate accounts shall be maintained for each activity fund, and funds shall be disbursed only for expenditures that align with the fund’s stated purposes and any restrictions set by the Superintendent or designee. Control and custody of all funds remain in the name of the respective schools and organizations, though accounts are legally held by the District. All funds will be administered in accordance with the Connecticut General Statutes and are subject to annual review by an independent external auditor.

Conn. Gen. Stat. §10-237.
